VOLUNTEERING AND INTERESTS

Volunteer animator from 2017 to 2021 at “La Visitazione”, Torino where I planned ludic activities for children with the animation team and we organized small fundraisings. I was part of the Andromeda Partners student association at LUISS where we wrote short articles on economic topics. I am a volunteer Ambassador for the “Fondazione Antonio Megalizzi”, here I narrate the values and functioning of the European Union to high school students. I have a strong interest in public finance and in economic and social policies and their analysis, both at Italian and European level. I enjoy travelling and exploring new cultures and I practice the sport of rock climbing.
